Virtual Climate Literacy Symposium Call for Presenters

The Division of Instruction and the Eco-Sustainability Office is hosting a virtual Climate Literacy Symposium for classrooms and families to deepen their understanding of how the climate affects us and how students can take action to make a positive impact on the climate.

Event Information:

Date: April 22, 2024
Event Time: 11:30 am - 3:20 pm
Session 1: 1:50 pm - 2:30 pm
Session 2: 2:40 pm - 3:20 pm

Participants will join sessions virtually. As this event occurs during the school day, students will join with their classrooms.

If you're interested in presenting during one of the sessions, please complete the form below.

Presenter Proposal Form:
bit.ly/LAUSD-CL-PresProposal

Call for presenters: Looking for teachers, school leaders, community partners, climate change experts, and District offices who would like to present during these virtual sessions.

The aim of these sessions is to inform, empower, and equip participants (classrooms and parents) and address one of the following:

- Empowering Students to Take Climate Action
- Science of Climate Change
- Outdoor Learning Experiences
- Climate and Social Justice
- Climate and Social Emotional Learning

Classroom teachers selected as presenters will receive substitute coverage.

Please submit form by April 2, 2024.
